CUBBIES – 3 to 5 Year Olds

Cubbies are introduced to an exciting world of learning about God, His Son, and His Word. Each week Cubbies will enjoy learning Memory Verses, hearing Bible Lessons, and completing activities that help teach the basic truths about God, Jesus, sin, and salvation. Cubbies check into their classroom for an evening of fun using crafts, songs, games, and puppets. Pick up is in the same room as drop off.

Each club night will consist of small group time, game time and large group time. Sparks will also have special emphasis on missions and memorizing all 66 books of the Bible before they head to T&T. Their night will consist of large group time, small group time, and game time. 3rd grade will be dropped off in the club 4/5 large room (rm. 219A), 4th Grade will get dropped off in their small group rooms, and 5th grade will be starting downstairs in the Hub. Large group time consist of a time of worship, Bible study, and practicing their verse for the week. They will then head to small group rooms to work on exploring the Bible and memorizing their verse for the night. Pick up is in their small group rooms.
