

# GRIT AND GRACE

A STUDY THROUGH 2 TIMOTHY

## Prayer

- As a group, decide on a country to pray for this week. Ask God to advance his kingdom in that area of the globe.

## Introduction

- Today's passage gives us a detailed description of what a godless lifestyle looks like. We hope you walk away equipped to avoid spiritual snares that easily entangle.

## Read 2 Timothy 3:1-5

- *How would you live differently if you more deeply believed that we are currently in the last days?*
- *For Christians, do you think we are living in a time of difficulty or ease?*
- *What do the people in this paragraph love?*
- *Do you think that the modern emphasis on "self-love, self-care, self-trust" is biblical?*
- *What in this list is especially prevalent in Hampton Roads?*
- *What is the balance of befriending sinners like Jesus and "avoid such people"?*

## Read 2 Timothy 3:6-9

- *How can we avoid this trap? "Always learning and never able to arrive at a knowledge of the truth."*
- *When has God proven to you that a teacher or group was not safe to follow?*
