

Prayer

- Break off into small groups of 2-3 for prayer. Reconnect after 10 minutes.

Introduction

- This week, we will talk about our church-wide initiative: All-Out. God has given us an opportunity to faithfully respond to what He is doing here at River Oak by giving regularly, sacrificially, and cheerfully so that we can meet growing ministry needs and help launch a church plant.
- *How have you personally been blessed by ministry at River Oak?*

Read 2 Corinthians 9:6-15

- *Who is the most generous person that you know? What is the impact of their lifestyle?*
- *What does verse 7 teach us about giving?*
- *What are reasons why people may be reluctant givers?*
- *What is your understanding of tithes and offerings?*
- *Why is God's ability and sufficiency important to remember when considering generosity?*
- *Why do you think Paul compares giving with farming?*
- *How have you seen God personally supply your needs?*
- *What would be the consequence if we all stopped contributing to the needs of others?*
- *What act of generosity would require you to have faith?*
- *What do you feel led to apply from this passage?*
